**Solar Water Heater Project Coordinator**

**Fixed Term Contract for 6 months**

**Roll-out of the National Solar Water Heater Programme**

The Department of Mineral Resources and Energy (“DMRE”) and its state-owned company CEF (SOC) Ltd (“CEF”), are rolling out the National Solar Water Programme to install 87 000 Solar Water Heaters (“SWHs”) in low-income water reticulated households in 19 municipalities including JB Marks and Mahikeng Municipalities.

DMRE and CEF have identified the need to capacitate the Project Team to assist with the coordination of the programme during implementation. The Project Coordinator will work closely with the DMRE and CEF Project Team to provide dedicated local project support, stakeholder management and project administration in the municipality. The Project Coordinator is expected to interact with the municipality and service providers (including the SWH manufacturers, the SWH installation companies and the SWH Installer Assistant training service providers) to ensure that the project is implemented efficiently. Where there are issues, the Project Coordinator is expected to consult with the DMRE/CEF team to resolve them.

DMRE and CEF are now recruiting two (2) SWH Project Coordinators for implementing the SWH programme in JB Marks and Mahikeng Municipalities
