

TO ALL SUPPLIERS AND POTENTIAL SUPPLIERS OF GOODS TO THE DEPARTMENT OF ENERGY

The Department of Energy would like to sensitise members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to be the Supply Chain Management officials of the Department.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services from service providers. **Amongst the many items requested, is the Z Folly Discs which they claim is manufactured by a sole manufacturer**. Once the so-called “manufacturer” has delivered the goods, the syndicate then advise the service provider to invoice the Department for goods they supposedly delivered to the Department.

The Department of Energy condemns such illegal activities and encourage service providers to confirm the legitimacy of purchase orders/order numbers with the Department’s Supply Chain Management Directorate prior to processing and delivery of any goods.

Faxed requests for quotations from the Department are only transmitted from fax number: 012 323 5841 and the e-mail address for quotations: doe.quotes@energy.gov.za

To confirm the legitimacy of purchase orders, service providers are urged to contact
Mr David Mohlamonyane, tel 012 406 7338 or e-mail: David.Mohlamonyane@energy.gov.za

OR

Mr David Rakgalakane, tel. 012 406 7694 or e-mail: David.Rakgalakane@energy.gov.za

For more information please call the Department of Energy on 012 406 8000.
