PRESIDENT CYRIL RAMAPHOSA TO ADDRESS THE NATION

President Cyril Ramaphosa will address the nation at 20h30 this evening, Wednesday 13 May 2020, on South Africa's ongoing measures to manage the spread of the coronavirus through the implementation of a risk adjusted strategy.

The President's address follows a number of meetings of Cabinet and the National Coronavirus Command Council.

The South African Broadcasting Corporation will provide a pool feed to broadcasters. Arrangements for the pool feed can be made with Mr Thoke at the SABC.
