

NOTICE OF PUBLIC CONSULTATIONS ON THE DRAFT INTEGRATED ENERGY PLANNING REPORT

The Department of Energy will be hosting a consultation workshops in Cape Town on the Draft 2012 Integrated Energy Planning Report.

Details as follows:

Date: 24 & 25 October 2013

Venue: Cape Town International Convention Centre

Time: Registration starts at 08:00

The purpose of the workshops is to provide the Department with an opportunity to present the results from the various policy options which were evaluated. More importantly the workshops are also intended to provide interested stakeholders with the platform to present their inputs into the Draft 2012 Integrated Energy Planning Report. To attend the Cape Town workshop, kindly register via email or telephonically at the email address or telephone number provided below.

Organisations interested in making formal presentations at the Cape Town Workshop are invited to submit them via email on or before 11 October 2013.

A similar workshop will be held in Durban, details of which will be communicated via print media and radio announcements once the dates and venue have been confirmed.
