The Department of Energy to announce Fuel Prices adjustment only after the WC

Pretoria, 02 July 2010 – The Department of Energy has announced today that the fuel price adjustment for the July month will only be made on 9 July 2010, and will only come into effect on 14 July 2010.

The Department had indicated at the beginning of the 2010 FIFA World Cup in June that price changes would be effected after the tournament.
