## **MEDIA ANNOUNCEMENT**

### **Delays on timelines for the approval of REFIT Review Tariff**

The National Energy Regulator of South Africa (NERSA) today announced a delay in the timelines for the approval of the Renewable Energy Feed-In Tariff (REFIT) Review Tariff. NERSA is currently analysing and consolidating all information received from stakeholders. A total of 200 written comments were received and more than 40 presentations were given during the public hearings held on 5 and 6 May 2011. The decision will be announced around mid June 2011.

End.
