Minister Dipuo Peters congratulates Energy SOEs for unqualified reports

13 October 2011 – The Minister of Energy - Ms Dipuo Peters (MP), congratulates the Boards, Management and Staff of the CEF Group, NECSA, NNR, NERSA and EDIH for obtaining unqualified opinions from the Auditor General for their financial statements for the year 2010/11.

The Ministry and the Department of Energy will continue to support and provide effective oversight over the entities in the quest to obtain clean audits. To this end the Department and the entities have established a number of fora that aim to ensure alignment and timeous responses to any matters that need the intervention of the Department.
