**MEDIA RELEASE**

Nuclear New Build Programme Procurement Process

The Minister of Energy has noted press reports related to the Nuclear New Build Programme. The Minister wishes to reiterate that the integrity of all aspects of the procurement process will be defended and protected.

The Minister has noted that the National Treasury has engaged with the Director-General of the Department of Energy, as Accounting Officer, on this matter. The Department will fully cooperate with National Treasury to verify compliance with the Supply Chain Management Norms and Standards.

The Minister will further respond and implement the advice and recommendations of National Treasury as soon as it has concluded its processes.
