28 July 2016 – The South African Petroleum Industry Association (SAPIA) confirms that members of the Chemical, Energy, Paper, Printing, Wood and Allied Workers Union (“CEPPWAWU”) are participating in the strike in the petroleum sector.

Said SAPIA Executive Director Avhaphani Tshifularo, “SAPIA members have confirmed that refining, transportation and storage activities are continuing and individual confidential contingency plans have been activated to mitigate any impact of CEPPWAWU’s strike action on oil companies’ customers.”

Motorists are advised to stick to their normal refueling patterns to assist the petroleum industry to ensure security of supply.
