**DRAFT POST -2015 NATIONAL ENERGY EFFICIENCY STRATEGY
EXTENSION OF PUBLIC COMMENTS PERIOD**

The Department of Energy published the Draft Post-2015 National Energy Efficiency Strategy in the Government Gazette on 23 December 2016. As stated in the published notice, the comments period runs for 30 days from 24 December to 22 January 2017.

Due to December being a very short month with most organisation and the general public being in recess, the Department would like to extend the due date for public comments period to 28 February 2017.

We have also attached the annexures for ease reference.
